

Consent to Marry

Juvenile courts accept applications for Consent to Marry in accordance with Juvenile Rule 42. Once consent is granted, the couple must follow the probate court guidelines for getting a marriage license. The requirements are as follows:

1. The Person Seeking Consent (Petitioner) must be 17 years of age;
2. The other party must be either 17 or no more than 4 years older than the Petitioner;
 - a) Where both parties are 17, each shall file an application for consent.
3. The Application must be filed in the county where the Petitioner resides;
4. The Petitioner must either be:
 - a) A member of the armed services;
 - b) Employed and self-sustaining; or
 - c) Independent from the care and control of his or her parent, guardian, or custodian.
5. Complete the attached Consent to Marry Application

Hearing

Only a judge may grant a Consent to Marry petition. Once an Application is filed, the Court must appoint an attorney as Guardian ad Litem for each party to the intended marriage who is seventeen years of age. The Court then consults with the parent, legal guardian, or legal custodian of each person age seventeen who is seeking consent, as well as the guardian ad litem of the person seeking consent. The Court does this in an official, recorded proceeding.

The Court will grant the consent to marry if the Court finds:

1. The information stated in the application is true;
2. The decision to marry of the party to the intended marriage, who is seventeen, is free from force or coercion;
3. Granting of the application is in the best interest of each person age seventeen seeking to be joined in marriage; and
4. Each person age seventeen has the capacity of a person of the age eighteen years or older, as described in R.C. §3109.01.

If granted, a certified copy of the judge's entry is given to the applicant and transmitted to the probate court in the county where the application was filed. If denied, the Petitioner has the right to appeal the Court's denial.
